

The OAK Award

Outreach, Accomplishments, Knowledge

Objectives:

- The OAK award will honor an established WiNUP member who has exhibited *exceptional* leadership and service within EWRT/WiNUP for at least *six (6) years*.
- It will recognize the member's EWRT/WiNUP involvement and responsibilities at the local and international level.
- It will promote efforts within the industry, which support WiNUP goals.
- It will promote awareness of the recipient's contributions to other professional organizations.

Eligibility:

Nominees must be active members for at least six (6) years.

Nominees must demonstrate long-term commitment to the organization, which must be detailed in the nomination form.

The previous year's recipient is responsible for all aspects of selecting the next recipient:

- Request that Chapter Chairs submit nominations.
- Select a three-member committee to judge the nominees and tabulate committee members' evaluation forms.
- Notify the Executive Director of the recipient's name. (Executive Director orders the award.)
- Present the award at the International Conference.

Members of the three-person judging committee will include members-at-large and members of chapters, which do not have an OAK Award nominee.

Judges will take into consideration the nominee's involvement in EWRT/WiNUP over a period of six (6) years or more; leadership positions in the organizations both internationally and locally; leadership exhibited in other professional organizations and activities; and professional accomplishments.

Nominees should describe how they have supported and continue to support EWRT/ WiNUP objectives.

Send the nomination form to the OAK Award Chair no later than June 15. (Each of the three judges will be sent a copy with personal information marked out and a copy will be retained in the Executive Office).
